

Assembly Bill No. 1156

CHAPTER 732

An act to amend Sections 32261, 32282, 32283, 46600, and 48900 of the Education Code, relating to pupils.

[Approved by Governor October 9, 2011. Filed with
Secretary of State October 9, 2011.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1156, Eng. Pupils: bullying.

(1) Existing law establishes the public school system in this state, and, among other things, provides for the establishment of school districts throughout the state and for their provision of instruction at the public elementary and secondary schools they operate and maintain.

Existing law, the Interagency School Safety Demonstration Act of 1985, among other things, requires school districts and county offices of education to be responsible for the overall development of comprehensive school safety plans for schools operating kindergarten or any of grades 1 to 12, inclusive, and further requires the Department of Justice and the State Department of Education to contract with one or more professional trainers to coordinate statewide workshops for school districts, county offices of education, and schoolsite personnel to assist them in the development of school safety and crisis response plans.

This bill, as of July 1, 2012, would encourage the inclusion of policies and procedures aimed at the prevention of bullying in comprehensive school safety plans. The bill also would require the Department of Justice and the State Department of Education to contract to provide training in the prevention of bullying, as defined in the bill.

(2) Existing law requires each person between 6 and 18 years of age, inclusive, who is not otherwise exempt, to attend the public full-time day school in the school district in which his or her parent or guardian is a resident. Existing law authorizes the governing boards of 2 or more school districts to enter into an agreement, for a term not to exceed 5 school years, for the interdistrict attendance of pupils who are residents of the districts. Existing law requires the supervisor of attendance of the school district of residence to issue an individual permit verifying the district's approval, pursuant to policies of the governing board of the school district and terms of the agreement, for the transfer. Existing law establishes an appeal process for pupils whose permits are denied, or, in the absence of an agreement between the school districts, if the school districts fail or refuse to enter into an agreement.

This bill, as of July 1, 2012, would require that a pupil who has been determined by personnel of either the school district of residence or the

school district of proposed enrollment to have been the victim of an act of bullying, as defined, committed by a pupil of the school district of residence be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, be given additional consideration for the creation of an interdistrict attendance agreement, at the request of the person having legal custody of the pupil.

To the extent this provision would impose new or additional duties on school districts, it would constitute a state-mandated local program.

(3) Existing law prohibits the suspension, or recommendation for expulsion, of a pupil from school unless the school district superintendent or the school principal determines that the pupil has committed any of various specified acts, including, but not limited to, bullying, as defined to include sexual harassment, hate violence, or harassment, threats, or intimidation.

This bill, as of July 1, 2012, would amend the definition of bullying in this provision by specifying that bullying means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, as defined, including, but not limited to, sexual harassment, hate violence, or harassment, threats, or intimidation, that has the effect or can reasonably be predicted to have the effect of placing a reasonable pupil, as defined, in fear of harm to that pupil's or those pupils' person or property, causing a reasonable pupil to experience a substantially detrimental effect on his or her physical or mental health, causing a reasonable pupil to experience substantial interference with his or her academic performance, or causing a reasonable pupil to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by a school.

(4) The bill would also make various technical and conforming changes.

(5) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

The people of the State of California do enact as follows:

SECTION 1. The Legislature finds and declares all of the following:

(a) A safe and civil school environment is necessary for pupils to learn and achieve.

(b) Bullying causes physical, psychological, and emotional harm to pupils, and interferes with pupils' ability to learn and participate in school activities.

(c) Bullying has been linked to other forms of antisocial behavior, such as vandalism, shoplifting, truancy and dropping out of school, fighting, using drugs and alcohol, sexual harassment, and sexual violence.

(d) Because of the negative outcomes associated with bullying in schools, pupils, parents, and school personnel should be informed about what behaviors constitute prohibited bullying.

(e) If victims of bullying feel unsafe at the schools where they have been victimized, they should be accommodated if they desire to attend another school, even if that school is located in another school district.

SEC. 2. Section 32261 of the Education Code is amended to read:

32261. (a) The Legislature hereby recognizes that all pupils enrolled in the state public schools have the inalienable right to attend classes on school campuses that are safe, secure, and peaceful. The Legislature also recognizes that pupils cannot fully benefit from an educational program unless they attend school on a regular basis. In addition, the Legislature further recognizes that school crime, vandalism, truancy, and excessive absenteeism are significant problems on far too many school campuses in the state.

(b) The Legislature hereby finds and declares that the establishment of an interagency coordination system is the most efficient and long-lasting means of resolving school and community problems of truancy and crime, including vandalism, drug and alcohol abuse, gang membership, gang violence, and hate crimes.

(c) It is the intent of the Legislature in enacting this chapter to support California public schools as they develop their mandated comprehensive safety plans that are the result of a systematic planning process, that include strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on school campuses, and that address the safety concerns of local law enforcement agencies, community leaders, parents, pupils, teachers, administrators, school police, and other school employees interested in the prevention of school crime and violence.

(d) It is the intent of the Legislature in enacting this chapter to encourage school districts, county offices of education, law enforcement agencies, and agencies serving youth to develop and implement interagency strategies, in-service training programs, and activities that will improve school attendance and reduce school crime and violence, including vandalism, drug and alcohol abuse, gang membership, gang violence, hate crimes, bullying, including bullying committed personally or by means of an electronic act, teen relationship violence, and discrimination and harassment, including, but not limited to, sexual harassment.

(e) It is the intent of the Legislature in enacting this chapter that the School/Law Enforcement Partnership shall not duplicate any existing gang or drug and alcohol abuse program currently provided for schools.

(f) As used in this chapter, “bullying” has the same meaning as set forth in subdivision (r) of Section 48900.

(g) As used in this chapter, “electronic act” has the same meaning as set forth in subdivision (r) of Section 48900.

SEC. 3. Section 32282 of the Education Code is amended to read:

32282. (a) The comprehensive school safety plan shall include, but not be limited to, both of the following:

(1) Assessing the current status of school crime committed on school campuses and at school-related functions.

(2) Identifying appropriate strategies and programs that will provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:

(A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.

(B) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.). The disaster procedures shall also include, but not be limited to, both of the following:

(i) Establishing an earthquake emergency procedure system in every public school building having an occupant capacity of 50 or more pupils or more than one classroom. A district or county office may work with the California Emergency Management Agency and the Seismic Safety Commission to develop and establish the earthquake emergency procedure system. The system shall include, but not be limited to, all of the following:

(I) A school building disaster plan, ready for implementation at any time, for maintaining the safety and care of pupils and staff.

(II) A drop procedure whereby each pupil and staff member takes cover under a table or desk, dropping to his or her knees, with the head protected by the arms, and the back to the windows. A drop procedure practice shall be held at least once each school quarter in elementary schools and at least once a semester in secondary schools.

(III) Protective measures to be taken before, during, and following an earthquake.

(IV) A program to ensure that pupils and both the certificated and classified staff are aware of, and properly trained in, the earthquake emergency procedure system.

(ii) Establishing a procedure to allow a public agency, including the American Red Cross, to use school buildings, grounds, and equipment for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare. The district or county office shall cooperate with the public agency in furnishing and maintaining the services as the district or county office may deem necessary to meet the needs of the community.

(C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.

(D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.

(E) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.

(F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing “gang-related apparel,” if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define “gang-related apparel.” The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. Any schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, “gang-related apparel” shall not be considered a protected form of speech pursuant to Section 48950.

(G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.

(H) A safe and orderly environment conducive to learning at the school.

(I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.

(b) It is the intent of the Legislature that schools develop comprehensive school safety plans using existing resources, including the materials and services of the partnership, pursuant to this chapter. It is also the intent of the Legislature that schools use the handbook developed and distributed by the School/Law Enforcement Partnership Program entitled “Safe Schools: A Planning Guide for Action” in conjunction with developing their plan for school safety.

(c) Grants to assist schools in implementing their comprehensive school safety plan shall be made available through the partnership as authorized by Section 32285.

(d) Each schoolsite council or school safety planning committee in developing and updating a comprehensive school safety plan shall, where practical, consult, cooperate, and coordinate with other schoolsite councils or school safety planning committees.

(e) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.

(f) As comprehensive school safety plans are reviewed and updated, the Legislature encourages all plans, to the extent that resources are available, to include policies and procedures aimed at the prevention of bullying.

(g) The comprehensive school safety plan, as written and updated by the schoolsite council or school safety planning committee, shall be submitted for approval under subdivision (a) of Section 32288.

SEC. 4. Section 32283 of the Education Code is amended to read:

32283. The Department of Justice and the State Department of Education, in accordance with Section 32262, shall contract with one or more professional trainers to coordinate statewide workshops for school districts, county offices of education, and schoolsite personnel, and in particular school principals, to assist them in the development of their respective school safety and crisis response plans, and provide training in the prevention of bullying as defined in subdivision (r) of Section 48900. The Department of Justice and the State Department of Education shall work in cooperation with regard to the workshops coordinated and presented pursuant to the contracts. Implementation of this section shall be contingent upon the availability of funds in the annual Budget Act.

SEC. 5. Section 46600 of the Education Code is amended to read:

46600. (a) (1) The governing boards of two or more school districts may enter into an agreement, for a term not to exceed five school years, for the interdistrict attendance of pupils who are residents of the districts. The agreement may provide for the admission to a district other than the district of residence of a pupil who requests a permit to attend a school district that is a party to the agreement and that maintains schools and classes in kindergarten or any of grades 1 to 12, inclusive, to which the pupil requests admission. Once a pupil in kindergarten or any of grades 1 to 12, inclusive, is enrolled in a school pursuant to this chapter, the pupil shall not have to reapply for an interdistrict transfer, and the governing board of the school district of enrollment shall allow the pupil to continue to attend the school in which he or she is enrolled, except as specified in paragraphs (2) and (4).

(2) The agreement shall stipulate the terms and conditions under which interdistrict attendance shall be permitted or denied. The agreement may contain standards for reapplication agreed to by the district of residence and the district of attendance that differ from the requirements prescribed by paragraph (1). The agreement may stipulate terms and conditions established by the district of residence and the district of enrollment under which the permit may be revoked.

(3) The supervisor of attendance of the district of residence shall issue an individual permit verifying the district's approval, pursuant to policies of the governing board and terms of the agreement for the transfer. A permit shall be valid upon concurring endorsement by the designee of the governing board of the district of proposed attendance. The stipulation of the terms and conditions under which the permit may be revoked is the responsibility of the district of attendance.

(4) Notwithstanding paragraph (2), a school district of residence or school district of enrollment shall not rescind existing transfer permits for pupils entering grade 11 or 12 in the subsequent school year.

(b) A pupil who has been determined by personnel of either the district of residence or the district of proposed enrollment to have been the victim of an act of bullying, as defined in subdivision (r) of Section 48900, committed by a pupil of the district of residence shall, at the request of the person having legal custody of the pupil, be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the

absence of an agreement, be given additional consideration for the creation of an interdistrict attendance agreement.

(c) In addition to the requirements of subdivision (e) of Section 48915.1, and regardless of whether an agreement exists or a permit is issued pursuant to this section, any district may admit a pupil expelled from another district in which the pupil continues to reside.

SEC. 6. Section 48900 of the Education Code is amended to read:

48900. A pupil shall not be suspended from school or recommended for expulsion, unless the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to any of subdivisions (a) to (r), inclusive:

(a) (1) Caused, attempted to cause, or threatened to cause physical injury to another person.

(2) Willfully used force or violence upon the person of another, except in self-defense.

(b) Possessed, sold, or otherwise furnished a firearm, knife, explosive, or other dangerous object, unless, in the case of possession of an object of this type, the pupil had obtained written permission to possess the item from a certificated school employee, which is concurred in by the principal or the designee of the principal.

(c) Unlawfully possessed, used, sold, or otherwise furnished, or been under the influence of, a controlled substance listed in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind.

(h) Possessed or used tobacco, or products containing tobacco or nicotine products, including, but not limited to, cigarettes, cigars, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets, and betel. However, this section does not prohibit use or possession by a pupil of his or her own prescription products.
